Piz Gletscher

## Eiger, Mönch & Ski Paradise

Sweeping valleys, wide pistes, steep slopes... find all this as well as highly rated Swiss hospitality in the ski areas of the Jungfrau Top Ski Region: Schilthorn-Mürren, Männlichen-First and Kleine Scheidegg-

Wengen. A total of 44 lift facilities with over 200 km of pistes, 31 km of cross-country ski runs, ice rinks, sledge runs and winter-walking trails offer an attractive variety of winter sport ranging from skiing and snowboarding, sledging, ice skating, cross-country skiing and ski and snowshoe tours to ice-climbing, winter-walking and curling. You'll be stunned by the breathtaking panorama on the downhill runs and can also ski the world's longest piste, almost 16 km from the Schilthorn to the door of the Hotel Schützen.

Our bar is the perfect place to round off a great day and get into après-ski mode...
